Holiday Recitals

The Morita's School of Dance Holiday Recital's will be here soon! The Hermon/Old Town Holiday Recitals will be on December 8th at Hermon High School. We will be having three shows, the first at 12:00pm, the second at 3:00pm and the third at 6:00pm.

The Dover Foxcroft Holiday Recital is held at the Center Theatre on December 18th. We will be having classes at the Center Theatre prior to the show, and then the show will begin at 6:30pm.

Notices have been sent home letting you know what show your child is performing in, and when you and your child should arrive. This information can also be found on our website, www.moritasschoolofdance.com, under the "Recitals" tab found towards the top of our website.

Holiday Food Drive

From now through December 18th we will be collecting canned and non-perishable food items to donate to a local food shelter. Drop off your items at the studio or bring them to one of the four shows! Let's fill our baskets to the top with donations! Thank you Makayla B. for the wonderful idea and signs!

Holiday Studio Hours

There will be regular classes December 10th-14th. The studio will be closed beginning Saturday, December 15th, with classes resuming on Saturday, January 5th. Private and Semi-Private lessons are available to those dancers looking for additional practice or dancers on our dance teams who are competing a solo/duo/trio. Contact the studio if you are interested in scheduling a lesson.

UMaine Dance Clinic

On January 20th, the University of Maine Dance Team is holding their annual Dance Clinic. Dancers from grades 3-12 are invited to take jazz, hip hop, and lyrical/contemporary classes from the wonderful team members and their coaches, and we highly encourage everyone to attend. The clinic is \$30 for the clinic, and dancers who register by December 27th will receive a clinic t-shirt. If you register after the 27th, any extra t-shirts will be handed out to dancers in the order their registration is received. Make sure you register online before December 27th!
