2022-2023 DANCE PROGRAM GUIDE

At Morita's School of dance we aim to help our students **SHINE** both on and off the stage. We pride ourselves in not only creating well-rounded dancers but well-rounded individuals. Let us make dance the best part of the week!

Through our outstanding dance program, your dancer will learn the value of hard work and responsibility through dance which provides them skills that will last a lifetime.

At Morita's, the emotional and physical health and safety of anyone entering our doors is our highest priority. In recent years a commitment to this has only been heightened, and continues to be a priority. You can count on us to provide a positive, family-friendly atmosphere that will inspire dancers to gain confidence and reach their fullest potential both on and off stage. We continue to follow local and State guidelines to create our safety practices for the highest quality service.

Registration begins on Sunday, August 7th online! Class space is limited, so enroll early.

As you look at our calendar, you'll note we have our class schedule and vacation breaks. Please note that class times and offerings may shift as enrollment progresses. Our 55th season will conclude with a Spring Recital in May at Hampden Academy (date based on venue availability).

**Our staff is committed to providing a positive experience for all dancers whether it is your first year or your twelfth year. We welcome you to our studio and say,**

*Welcome to our family!*

Miss Morita has been sharing her passion for dance with students for 55 years! She loves watching her dancers grow and thrive from year to year, in class as well as outside of the studio. The studio is a second home to so many of Morita's students and she is proud to see former students succeeding after they've left her studio and truly considers all students a part of her extended family!

## DANCE EXCELLENCE 2023!

Morita's School of Dance believes in lifelong learning and we want to share this passion with our students! Your dancer, ages 8 and older, has the opportunity to attend Dance Excellence, an international dance festival in Los Angeles, California, when you join our studio (the 1st of 2 studios from Maine who have been invited to Dance Excellence). While there your dancer will learn from cutting edge choreographers, perform in Disneyland or Universal, and showcase their studio dances on stage and make new friends from around the world! Email today for more info!
