RECITAL RECORDING

All performers in the recitals will receive a digital copy of all performances as part of their participation and payment of the Recital Media Fee.

Each recital will be professionally recorded by FinePrints, and families will be provided with a download link once the final videos are ready. This ensures that everyone can easily access and enjoy the full collection of recital performances from the weekend.

RECITAL INFORMATION

SHOW TIMES

This year we have three recital shows! You should have received a notice letting you know what show day and time your dancer is in. Please contact us if you are unsure which recital your dancer is in or check for this information at **www.moritasschoolofdance.com/recitals**. Each show is between 2-2.5 hours long.

Doors will open 30 minutes prior to the start of each recital. We rehearse with dancers on stage prior to each recital, and audience members will not be let in until the doors open 30 minutes before the show. There will be seats lining the area just outside the auditorium doors. These seats are designated for those who may not be able to stand for long periods of time. Please offer a seat to fellow guests who may need it, including those with disabilities, seniors, and expectant mothers.

WRISTBANDS

All dancer's must be checked in by one person before the recital. This designated person will be asked to wear a wristband that has their dancer's name on it. Your wristband will be given to you during your On-Stage Rehearsal. This designated person **MUST** wear their wristband throughout the performance and will be the only person allowed backstage to pick up your dancer. This is for the dancer's safety. Once your dancer is dropped off, you may take your place in line at the main entrance if you wish. If you refuse to co-operate with this rule, your dancer will NOT be permitted to perform in the Recital.
