

Dance to the Beat of your Dreams!

2023-2024 DANCE PROGRAM GUIDE

At Morita's School of dance we aim to help our students **SHINE** both on and off the stage. We pride ourselves in not only creating well-rounded dancers but well-rounded individuals. Let us make dance the best part of the week!

Through our outstanding dance program, your dancer will learn the value of hard work and responsibility through dance which provides them skills that will last a lifetime.

At Morita's, the emotional and physical health and safety of anyone entering our doors is our highest priority. In recent years a commitment to this has only been heightened, and continues to be a priority. You can count on us to provide a positive, family-friendly atmosphere that will inspire dancers to gain confidence and reach their fullest potential both on and off stage. We continue to follow local and State guidelines to create our safety practices for the highest quality service.

Registration begins on Friday, July 21st online! Class space is limited, so enroll early.

As you look at our calendar, you'll note we have our class schedule and vacation breaks. Please note that class times and offerings may shift as enrollment progresses. Our 56th season will conclude with a Spring Recital in May at Peakes Auditorium (date based on venue availability).

Our staff is committed to providing a positive experience for all dancers whether it is your first year or your twelfth year. We welcome you to our studio and say,

Welcome to our family!
